

The Nest

The next generation of boutique festival accommodation

Innovative & Luxurious Design

Memory foam super-size beds with premium quality pillows, duvet and sheets.

Spacious en-suite bathroom including eco-friendly water-saving features, a vanity sink with luxury toiletries, and a large shower.

Kitchen area outfitted with a sink, fridge, and superior coffee machine.

Additional features include mood lighting, a Bluetooth speaker and blackout blinds, ensuring a serene and comfortable retreat.

For added peace of mind, The Nest is fully secure and lockable.

Quick & Simple Installation

The Nest sits beautifully in its surroundings, and can be nestled just a stone's throw away from the heart of your event. Each structure is 7.2m x 2.4m in total.

Units are quick and easy to set up. Each Nest is pre-built and transported via HIAB vehicles with up to two units per load which can be easily positioned then furnished with our final touches on site.

The only requirements are HGV access and connections for water and power.

It's unique yet elegant construction provides a refreshing alternative to traditional glamping accommodations, delivering ultimate luxury in every detail.
